

Scholtès

Scholtès and Matteo Manassero. Talent and Engineering.

Matteo Manassero

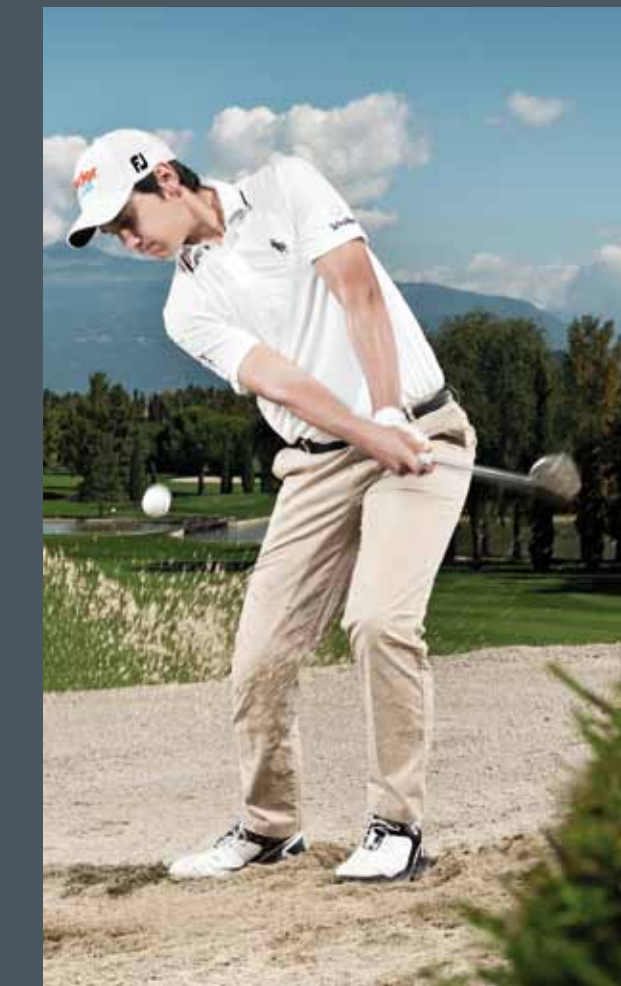

Golf is much more than a sport: it is a passion and a philosophy of life.

Scholtès values find an echo in the world of golf, where professionalism is expressed in meticulous attention to detail, the choice of technology that amplifies natural talent and, of course, an unflagging pursuit of perfection.

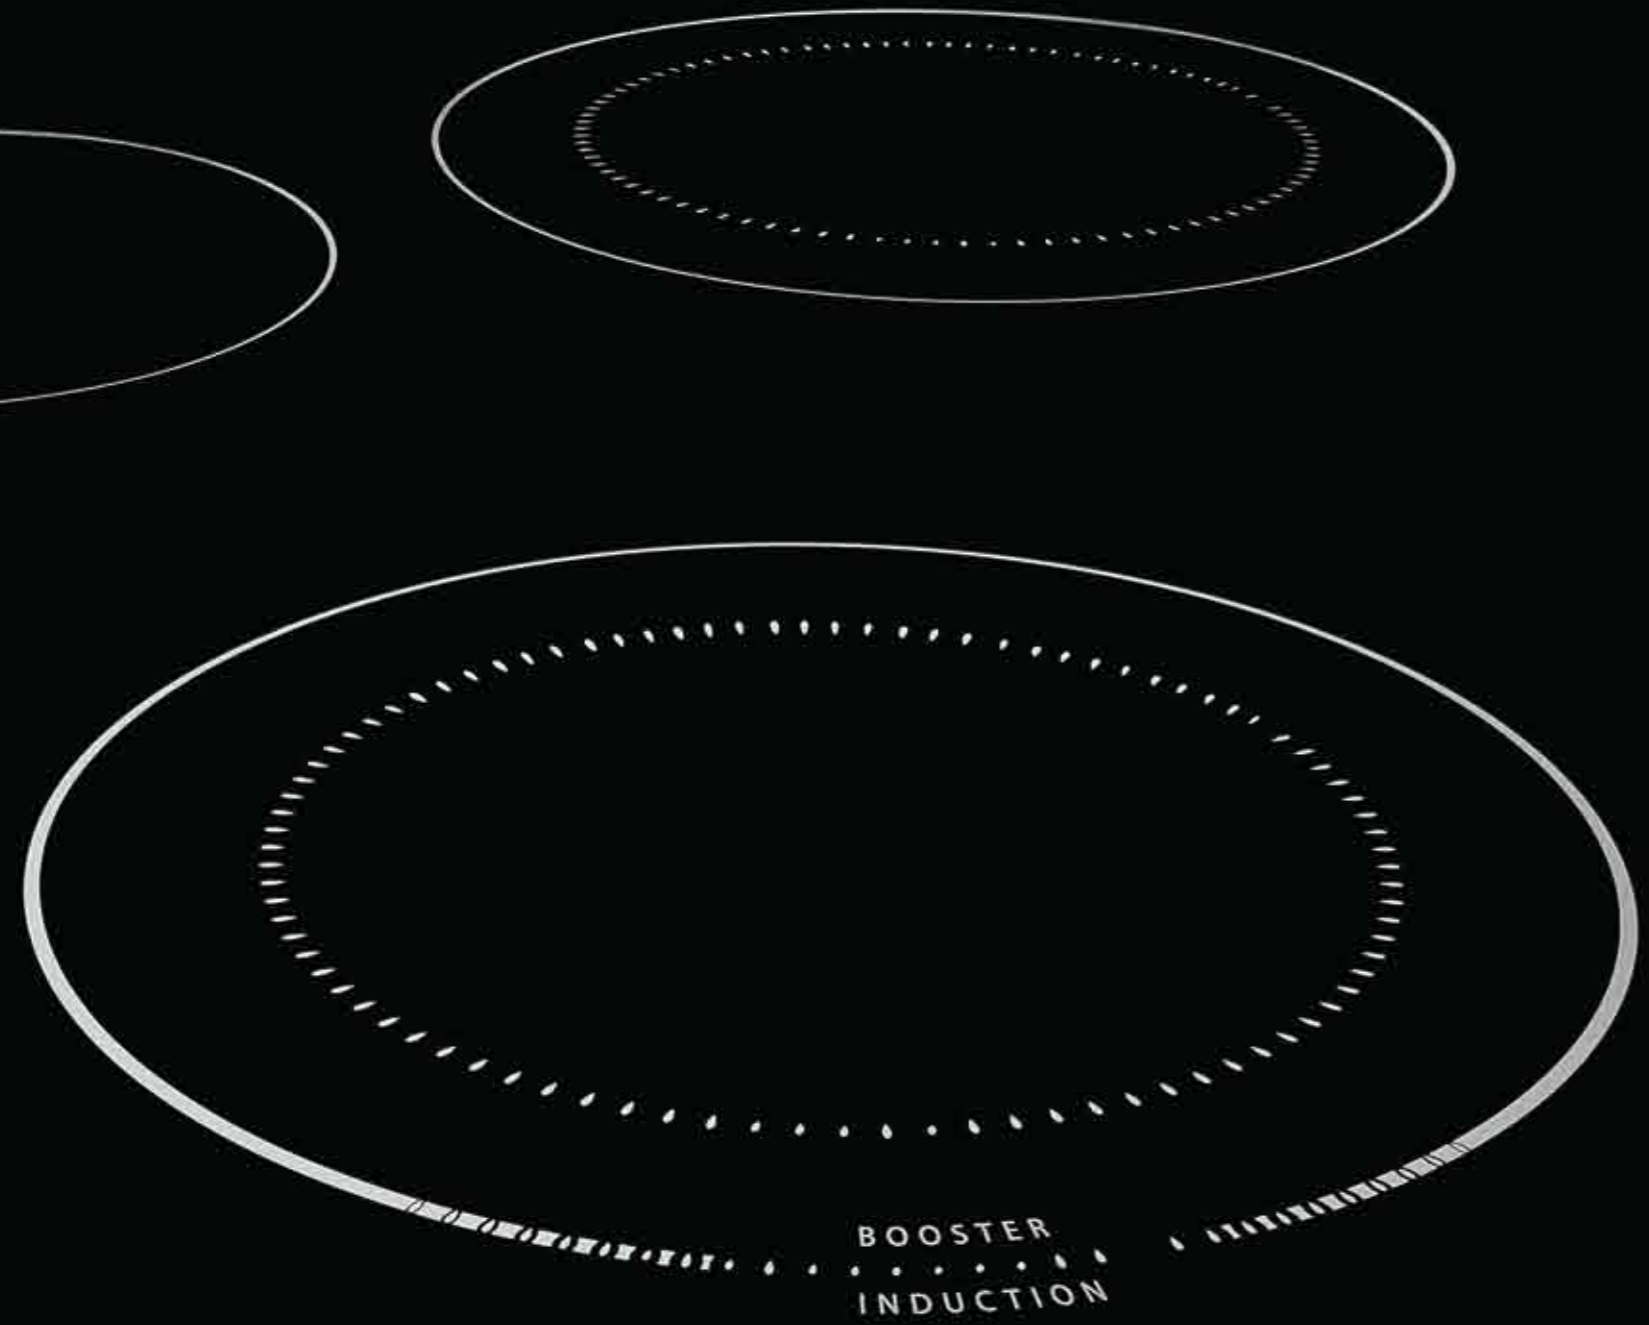

Scholtès is a proud sponsor of Matteo Manassero, young promising star of international golf, who has achieved extraordinary results in the Majors playing.

He has rewritten the record books, by winning the "2010 Castello Masters Costa Azahar" and becoming the youngest winner in European Tour history. He is ready to vie for the most prestigious titles on his continued path to excellence.
